

## Introducing the TSB Needle Points Program

With every craft book you order from [www.trafalgarbooks.com](http://www.trafalgarbooks.com), you can earn points toward savings on future purchases! That's right, through our TSB Needle Points Program, *we'll pay you* to buy direct from us. All you have to do is create an account (a simple and secure process) and you'll start earning Needle Points with the very first book you buy. You'll be awarded one Needle Point for every dollar you spend. Needle Points will accrue in your account until you are ready to redeem them for great savings! For every 10 points redeemed, you'll get an additional dollar off any order over \$25.00.

Your account also allows you to track purchases and create wish lists, while keeping your shipping and billing information safe and secure so you don't have to re-enter it every time. New craft patterns and design ideas will be just a click away, as we ship FREE throughout the US from our small business based on a farm in rural Vermont.
